Master Terrance Lindall Leaping For Joy!

Bones sat in melancholy,
Acidity morbid, self-destructive folly
in the iron synaptic writer's pandemonium.

Bones found no words to grace his bloody pen
and desires he'd never write again in sublime,
Then Morning Star himself came by to mock:

"Blasphemers more will Superstars carouse in rhyming,
Destructive more will metric musings reign supreme.
The days of Satanic verse are done 2014...
Our world has faltered then moved on
without the cadent essence of our vision and dream."

Bones rejoins: "Not while there lives one such as we,
For poetry is of a form divine creativity empowerment.
To me a verse is all the psychedelic
couched in universal modulated meter,
Luciferian to fulfil some grand design."

The ozone suckers of reeked an odorous of pandemonium
that leaked out from the jaws of Hades.

The air waves filled with seed ferocious frizzle,
Thundering sounds and melting sulphureous sizzling in spiritual
second death.

Shouting spitting snarling clamorings of seas in catastrophic
pain in flesh.

The Tree of Knowledge leaves from trees fell to the ground.
Wild Beasts ceased from flight without a sound,
as Christendom plied their parody of satanic verse.

The wild beasts lightning flashed in an acrid sky on his sublime song...

Mount Everest turned brown and seas ran dry
in fearful response to Lucifer and demons' perpetual curse.
The skull and bones viewed the face of Death.
Satan cleared his throat and drew a breath of fire.
Demons cluster words rang out in semblance of a
Christendom's prayer.

Dark eyes stood before the evil throng,
Bones piano uplifted in his Satanic Rhapsody song,
and every WAH Miltonists' word rang honestly and true.
Each fashioned facet of his art world
a multitude mirror of his noble heart,
in Williamsburg exhibition openly on view.

Satan Brings Color To The World In Poem... spread Angel wings
and Blessed all of the love of visual poetry and words caressed,
the WAH Miltonists turned away with maniacal scream!

Left to observe and Miltonists contemplate
that Love will always conquer hate, and death!
